Reading Challenge, Bikeability and Educational Visits

We have started a new reading challenge for this half term, encouraging children to read as much as possible and fill a page with clouds, drawing a cloud every time they read. We might even get to read outside this term as the weather cheers up a bit!

Bikeability for Year 6 has gone well this week. The children have been working hard to learn how to keep safe as they cycle.

Please look out for letters from class teachers about educational visits. It is so good to finally get them up and running again.

Thank you, as always, for your continued support,

Kerrie
